Girls In Schools Impacted

FearlesslyGiRL Ambassador, Madison Keys - top 15 world tennis professional:

“FearlesslyGIRL is a perfect fit for what I believe in and want to commit myself to - it’s a great movement dedicated to creating strong women. I’ve tried my best to be a good role model for my two younger sisters and FearlesslyGIRL will give me a very unique opportunity to inspire, help, encourage and be a big sister to a whole generation of girls. I cherish the opportunity to help FearlesslyGIRL take this extraordinary movement of empowering young women globally.”

About FearlesslyGiRL

Founded in 2011 by girl expert, author and social entrepreneur Kate Whitfield, FearlesslyGiRL is an internationally recognized organization that inspires confidence and empowers young women to be kinder to themselves and each other, creating a KINDER GIRL WORLD.

FearlesslyGiRL is for any girl (or anyone identifying as such) that wants to take action, create change, make their spectacular mark and take on the world...fearlessly!

In June of 2017, Fearlessly Girl USA, a 501 (3)(c), non-for-profit organization, was founded with the sole mission of expanding FearlesslyGiRL's programming and other tools to more young women across North America. As FearlesslyGiRL grows, an ever-expanding KINDER GIRL WORLD can follow.

How We Reach Girls

1. Our Club & Curriculum Programs give girls the power to create a community of supportive, inspiring peers that meet on a weekly or monthly basis.
2. Our Summits reach girls in schools, helping girls break down barriers, forgive themselves and each other, and create a kinder Girl World on Campus.
3. Our National Events. In 2017 we hosted the Biggest Assembly EVER - reaching over 17,600 girls and in 2018 we hosted the FearlesslyGiRL Action Rally, reaching girls in 45 schools nationally!
